

solutions

improve

Turn back the hands of time with the Cirrus Energie 900, which combines low-level light, microcurrents and sound waves to restore vital energy to skin cells for immediate results that can be seen and felt. From Silhouet-Tone.

www.silhouet-tone.com

restore

A nourishing concentrate designed to hydrate all skin types, Skin Repair Formula creates healthy cells, restores resilience, increases lymphatic flow and diminishes the effects of time. From Avancé.

www.avanceskincare.com

brighten

Battle skin discoloration with gloLightening Serum, which uses hydroquinone, lighteners, melanin inhibitors and mild exfoliants to help support skin's health and lightness.

From gloSpa.
www.glospa.com

enhance

Brighten and revitalize all skin types with Eau Thermale Spa Smoothing Instant Radiance Care, a light fluid that uses soft-focus powders to diminish wrinkles and blur imperfections. From Sothys.

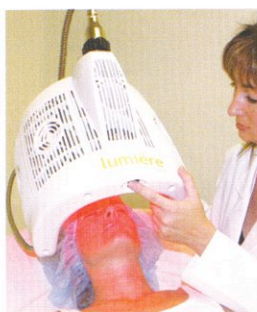

www.sothys.com

ease

Relieve skin irritation, including burns, rashes, itching and bug bites, with Aloe Sunburn Gel. The light aloe gel with added natural vitamins is a must for outdoor activities like camping, swimming and gardening.

From Set-N-Me-Free.
www.set-n-me-free.com

revive

Counteract the visible signs of aging with Lumière Light Thérapie. Designed for use in spas and salons, the LED light therapy enhances and adds value to existing services.

From Photo Therapeutics, Inc.
